3. Syllabus & Suggested Reading List for Semester VII Course.....	4-22
4. Syllabus & Suggested Reading List for Semester VIII Course.....	23-36

PROGRAMME OBJECTIVES

- This course in English aims to impart knowledge about the fundamentals of English Literature, Literary Criticism and Theory.
- The course is designed to familiarize the students with the basic ideas, thoughts, concepts and theories in literary studies.
- The course has been designed in such a way that every student is equipped with certain elementary skills in language and hands-on training in the interpretation of literary texts which can be of help in seeking gainful employment.
- The course intends to introduce students from multidisciplinary backgrounds to the fundamentals of English Literature.
- This course aims to generate an urge among the students for understanding the most pressing literary and theoretical issues.
- The aim of this course is also to provide knowledge and skills to the students to enable them to undertake further studies in English Literature in particular and Theoretical Humanities by extension in future.

PROGRAMME OUTCOMES

After completion of this Course, a learner is expected to:

- Acquire domain knowledge in the discipline.
- Develop a general understanding of English Literature as a distinct subject of study and analyze its inter-disciplinary character as well.
- Study and analyze a literary text from critical and constructive perspectives.
- Have a better understanding of the basics of linguistics and the genres of tragedy, comedy, the epic and the lyric.
- Intensify critical thinking and develop the ability to make logical inferences about literary and theoretical issues.
- Pursue higher education such as Post- Graduate Studies and Research in English and in other interdisciplinary areas.
